

BUILDING LEADERS OF TOMORROW AT DATTA MEGHE WORLD ACADEMY

Datta Meghe World Academy, Airoli, Navi Mumbai is bringing a much needed upgrade to traditional education by striking a perfect balance between intellect, physique and emotions for your child's overall development, just to shape your little ones into leaders of tomorrow! The school endeavours to provide a responsive and dynamic learning environment to its students, intricately designed keeping the well-being and welfare of students at its core, to develop excellence in academics, extra-curricular and behaviour.

"We explore the world through the eyes of children and together learning is enriched through their inquisitiveness and our unrelenting focus on the world as our classroom", says Rajeev Garg, Principal, DMWA.

Under the exceptional leadership of Shri. Dattaj Meghe, the management at Datta Meghe World Academy has the conviction and unwavering commitment towards excellence in education since the past 30 years. Their guiding principle has always been to energise and enhance childhood by fostering growth of mind, body and spirit, which will help children to become lifelong learners - which is why the framework

includes indigenous activities like sports, theatre and dramatics, splash pads, petting zoo, multi-station play area, canteen, international languages and much more.

"It is my endeavour to provide children with opportunities to learn in multidimensional ways and explore the limitless possibilities in their quest for knowledge. To truly be a global institution, we are also actively considering to affiliate with international

academic boards of IGCSE/IB repute from the next academic year", says Reema Bhasin, Trustee, DMWA.

Since its inception in 2011, their overarching goal has been to nurture young minds in a culturally appropriate environment and provide opportunities that will help them realise their true potential. Admissions are now open for the academic year 2019-2020.

RIMS International School and Junior College, Mumbai - Making a difference!

RIMS International School and Junior College was founded in the year 2003 with a vision to make a difference in the lives of learners who come to their international platform for education.

They challenge their learners to accelerate their skill sets academically, intellectually, artistically, athletically, keeping their morals and ethics intact.

Offering world class internationally acclaimed Cambridge (CAIE) curriculum within the folds of Mumbai, RIMS imparts lessons

through collaborative educational sessions and even an a la carte study options for individual needs. All assessments and evaluation practices are in sync with the Cambridge curriculum and the University of Cambridge board.

The essence of their success lies in their teacher student ratio, advanced technology and personalized attention.

"WE CARE". And they do! Every team member believes in the power of a smile, kind words, listening ear, honest compliment or even the smallest act of kindness to their learners, by imbuing "parental care".

"To us your child is unique", being the ethos of their dynamic CEO, Reshma Hawa, RIMS is committed to grooming students to excel both in academic and co-curricular activities in leadership and responsible

roles. "Come, be a part of our journey by freeing your minds to achieve excellence".

Investment in quality education and learning are indispensable for each child

Education beyond excellence

At Prudence International School, they don't promise to get children ready for "a job". It would be presumptuous to claim that they know exactly what sort of jobs will be there in 20 years. Hence, their prime duty and most urgent task is to equip their children with the skills that will enable them to survive and flourish in any job market whichever shape or form it may take in the future.

They aim to make the children into lifelong learners who will continue to study throughout their whole life. The children

world. Does the school equip children with the necessary skills in this globally dynamic work-space? At Prudence International, the answers to these questions shape their every decision about teaching and learning at their school.

Naturally, STEM-related subjects (Science, Technology, Engineering and Mathematics) play a key role in their curriculum. They do not compromise on the quality of other subjects either. They know that some of their learners will end up in product design, in the commercial and

Therefore, they nurture children's imagination and creativity.

Prudence International is an eco-friendly school where children are aware of their responsibility towards the environment. This also serves to prepare them for careers in the expanding Green Economy. Social and emotional intelligence is another area that is at the core of the "life curriculum" at Prudence International.

Most importantly, they believe that there is something that makes them different from other international boarding schools in Mumbai and beyond. At Prudence International they

support each child on their very personal educational journey. They help them to discover their passion and be driven by it rather than feed them with their own.

Rahul Education

Celebrating 25 years of Excellence

Rahul Education, the parent organization covering five registered educational societies, is a reputed quality education provider comprising 23 schools and 15 colleges spread across Thane and Palghar districts of Maharashtra and Chandauli districts of Uttar Pradesh currently catering to 45,000 students.

Ever since the commencement of its first school in Bhayandar, Maharashtra in the year 1993, Rahul Education has diligently followed the path of delivering 360-degree quality education. Since then, the Rahul Education as a group has evolved into a 'full spectrum' educational organization catering to the societal need of the availability of diversified courses and programs

ranging from Ssc, CBSE, ICSE, CAIE curricula to Junior and Degree colleges in Science and Commerce to Diploma, Degree and Postgraduate courses in engineering, architecture, design studies and teacher's education.

Driven by its motto 'Education for All', Rahul Group over the past 25 years has evolved into a truly exemplary institution devoted to excellence in education at all levels. Group's strategic and calibrated vision document titled 'Rahul Education - Vision 2030' envisages foray in newer avenues of education like hospitality management, law, medicines and paramedical sciences, culminating into the establishment of a private university of national eminence by the year 2030.

“ Education is the key to a bright future of an individual, a society and a nation. We at RIS, are committed to equip our learners with values and tools to empower them to face intellectual challenges of the rest of the 21st century ”

Krishna Tiwari
Joint Secretary,
Rahul Group of Schools and Colleges

RAHUL INTERNATIONAL SCHOOL

Under the umbrella of Rahul Education, RIS Institutes offer National (CBSE and ICSE) and International (CAIE) curriculum. The first school under the RIS brand was started in Nallasopara(W) in the year 2009, offering CBSE curriculum. Subsequently, RIS, Varanasi (Chandauli) 2010, RIS, ICSE Nallasopara(W) 2017 and RIS, Mirarod and Boisar 2018 came up. Their expansion plans include setting up RIS Institutes beyond Maharashtra and Uttar Pradesh as well as beyond India in other Asian countries.

They, at RIS, strive to reflect their motto - 'Be the Best' in all their endeavours and efforts to offer the best in infrastructure, human resources, indoor and outdoor facilities for academics, sports and entertainment. The unique feature of RIS set up is its centrally academic monitoring through stringent audit mechanism.

They offer a unique academic program which provides a blend of challenge and creativity with ample scope for individuality and imagination. A strong value system is woven into the fabric of daily life. A meaningful equilibrium

between academics, sports and co-curricular are maintained in order to bring forth confident, balanced, well-groomed and enlightened citizens.

A variety of activities are offered as an integral part of the curriculum to provide each learner an opportunity to develop a wholesome personality. Inter house and intra class competitions ensure the learners imbibe a healthy, competitive spirit and loyalty to their respective houses or classes. Debates, dramatics, choral singing, elocution, math wizard, Spelling Bee, creative writing, swimming, taekwondo and team games like football, cricket, basketball, throw ball and table tennis are some of the activities that learners can participate in.

All RIS units have state-of-the-art infrastructure, ideal learner-teacher ratio, laboratories for physics, chemistry, biology, Math and languages. Foreign languages like French and Spanish are a part of their curriculum. The school library facilitates the work of the classroom teacher and ensures each learner has equitable access to resources, irrespective of home opportunities or constraints. State of art computer labo-

ries offers training to learners. All their buses have a GPS enabled tracking system.

At RIS, their teachers are empowered with skills, beliefs and attitudes that will allow them to be effective facilitators of knowledge and values. The role of a teacher extends well beyond classroom instruction as it has been our conscious effort to provide a conducive atmosphere in schools so that coming to school is like home-coming for their learners. Their facilitators undergo rigorous training through workshops on time management, classroom management etc. To maintain uniformity and standardization across all units, the audit team monitors the day to day classroom functioning.
